

REPORT OF THE MOOT COURT SOCIETY (September- October 2016)

Demo Moot – Orientation Programme of MCS

A demo moot was organized by the existing MCS members from 2nd and 3rd year under the guidance of Teacher Convener and Members. Freshers were introduced to the concept of mooting, the MCS and the avenues for induction in the society. The demo moot started after the Orientation Programme for Freshers at CLC completed, at 2.00 PM and extended till 5.00 PM with students seeking clarification of doubts regarding the various aspects of mooting. Along with a demo which was presented by 3rd year students as speakers and an alumnus as Judge, students were informed about researching using online Database and books available. Memo Drafting skills and Court Demeanour along with presentation of oral arguments was also explained in depth.

Common Induction Moot (CIM)

CIM was organized on Saturday, 24th September 2016 and saw a participation of 120 students. The event started at 2.00 PM and extended up till 9.30 PM.

The problem was based on criminal law, with special focus on procedural aspects and admissibility of the evidences. The competition was judged by bench of two judges comprising of esteemed CLC alumni.

Students were divided in groups of 17-18 students per court room with 7 courtrooms as such in all. The competition saw cut throat competition, with 50 students making into the society. The criteria of selection were improved, facilitating more students to participate.

Freshers' Induction Moot

The fresh batch of students gets their second chance to enter the MCS through the Fresher's Induction Moot, which was held on October 1, 2016. Learning from the CIM experience, a special request was made to organize the event in morning and the same was accepted. The event began sharp at 11.00 AM and went up till 8.00 PM.

This moot was exclusively for the first year students. This year's moot problem was based on law of torts with special focus on Medical Negligence. The FIM was judged by a two judge bench comprising of esteemed alumni of CLC.

Students were divided in groups of 15-16 students per court room with 4 courtrooms as such in all. 26 students were selected from 66 students. The same criteria of selection as of CIM were applied here.
