REPORT

MOOT COURT SOCIETY

CAMPUS LAW CENTRE,

FACULTY OF LAW,

UNIVERSITY OF DELHI

2016-2017

INTRODUCTION

Moot Court Competitions and Training are common as well as mandatory academic practices in all law colleges world over. The Bar Council of India (BCI) guidelines make it imperative for all law institutions in the country to regularly conduct Moot Court Programs including Mooting Workshops and Competitions. Hence, it is a compulsory activity which all law colleges have to undertake.

CLC lays emphasis on this activity to equip students for their future profession and imbibe the “mooting culture” in all its students. The responsibility to manage and organize the mooting programs for over 2300 students has been delegated to the **MOOT COURT SOCIETY at CLC**. The Teacher Convener and Members are vested with the requisite decision- making powers with respect to mooting activities.

We take immense pleasure and pride in stating that, under the guidance of its teacher convener and members, CLC has fared very well in the last academic year compared to its previous performance. The students have come out with flying colors in most of the competitions of INTERNATIONAL and NATIONAL PRESTIGE. CLC participated in a total of 50 competitions wherein the student members have achieved various laurels and prizes.

An internal moot is conducted before selecting a team to represent our prestigious college at national and international level competitions. This ensures our college is represented by the best of the possible teams of our society.
