CALL FOR APPLICATIONS: COMMUNITY INTERVENTION

The Legal Aid Society, Campus Law Centre, in collaboration with **Udayan Care**, invites applications from **bona-fide student members** for a specialized **Community Intervention Program on 12th February 2026**. This initiative is designed to provide students with practical exposure to grassroots legal advocacy and social welfare mechanisms.

Udayan Care has been a pioneer in the field of alternative care and youth empowerment for over 30 years, notably through their "**Udayan Ghars**" which provide a family-like environment for orphaned children. Their work extends to the **FiT (Family in Transition) program**, which focuses on community-based support and legal advocacy to prevent the separation of families. By bridging the gap between policy and practice, they empower underserved communities through education, digital literacy, and holistic social support.
