# Post Lecture Report

- The lecture was delivered on 30<sup>th</sup> April 2020 by Ms. Iram Majid, and was attended by large number of students of 3<sup>rd</sup> year and 2<sup>nd</sup> year of LL.B., Campus Law Centre. Ms. Iram Majid enlightened us on various aspects of Mediation such as its philosophy, widely accepted definition, essential components and it's practical implications. Mam pointed out that in India we don't have any legislation on mediation, still the process has specific stages and is completely structured. She also shared multiple real life instance from her personal experience as a mediator in Delhi High Court's panel.
- During the Q & A session, one of the students asked an interesting question as to what made her choose ADR as career option over the other conventional options? She beautifully responded to that by saying in her case *"I have not chosen ADR rather, ADR has chosen me"*. She explained it by mentioning how passionate she feel about her career and the kind of job satisfaction she gets by resolving the disputes in people's lives.
- We the students of Campus Law Centre take this opportunity to thank and appreciate Ms. Iram Majid and Mr. Jai Prakash Meena for creating such wonder learning experience for the students in these challenging hours.
