

REPORT FOR NATIONAL LOK ADALAT COURT VISIT

Lok Adalat is one of the Alternate Dispute Redressal(ADR) mechanism and the members of Legal Aid Society, Campus Law Centre successfully volunteered for the National Lok Adalat, 2022 which took place on 12th November, 2022 in various district courts. The students had the opportunity to witness and learn in person as to how a Lok Adalat works.

The students visited 7 different courts namely,

1. Tis Hazari Court

2. Rouse Avenue Court

3. Patiala House Court

4. Rohini Court

5. Saket Court

6. Karkardooma Court

7. Dwarka Court

Learning experience by students :

I wanted to visit Tis Hazari and luckily I was put in same list. More than observing Lok Adalat proceedings, I was excited to meet new faces and make friends with them.

We went with high expectations and we're waiting for work to be allotted to us but sadly that didn't happen. Something more interesting and informative happened as we got opportunity to interact with the Judges. In an extremely humble tone, they explained us the procedure of Lok Adalat and answered all our questions even the silliest ones with a gentle smile. I will simply define them as elegant, intelligent and heartwarming.

We also had chance to observe proceedings of Traffic Challan court and Bank loan matters.

In a nutshell, it was another occasion I was exposed to reality of legal professional and bestowed upon with opportunity to make contacts.

Visit to court for lak adalat gave valuable information regarding the functioning of lok adalat proceeding. The visit also led us to interact with judges and counsel. It was whole great opportunity to get direct court room experience.
