CAMPUS LAW CENTRE

UNIVERSITY OF DELHI

REPORT FOR LEGAL AWARENESS DRIVE CONDUCTED

IN SANJAY BASTI

Venue: Sanjay Basti, Timarpur

Date: 15th April, 2023

The Legal Aid Society, Campus Law Centre, University of Delhi organised a legal awareness drive in **Sanjay Basti on 15th April 2023**. The drive was intended to make people aware about the legal aid clinic run by the society in collaboration with DSLSA and their right to avail free legal aid.

27 Executive board members along with 20 volunteers, assembled at college at 10 am where they were briefed by the drive coordinators. Then the team proceeded to the Timarpur Police Station and was divided into groups of 5-6 members each. Each group consisted of both executive members and volunteers. Division into smaller groups enabled the team to spread out and cover the entire basti while ensuring their safety. Police personnel from the Timarpur police station were also present to provide security. At the end of the drive, the team reconvened at the police station at 12.30 pm and returned to college.

The drive was a great success. Society members, joined by volunteers, interacted with the residents of Sanjay Basti. They shared with them details about the working of the legal aid clinic, the eligibility criteria for availing legal aid etc. Pamphlets containing this information were also distributed. The society received a positive response from the residents to the awareness initiative and looks forward to expanding the reach of the legal aid clinic.

Drive Coordinators: Supriya and Nikhil Kumar Singh
