

IITBHU MODEL UNITED NATIONS CONFERENCE 2023

12th EDITION

29 SEPT - 1 OCT

information@iitbhumun.com

Letter from Secretary-General

Dear Delegates, respected Faculty Advisors, and the Secretariat,

I am pleased to announce the commencement of the twelfth edition of the IITBHU Model United Nations. Having established a remarkable legacy over the span of its 11-year history, IITBHU Model United Nations holds the distinction of being one of the earliest and most esteemed conferences in India.

Our conference has received the prestigious endorsement of the Honourable Prime Minister, Shri Narendra Modi, not once but twice, underscoring its immense national significance. IITBHU MUN has witnessed the participation of more than sixteen countries, graced by eminent foreign ambassadors and keynote speakers.

The transition from an online platform during the Covid era to an offline dias has proven to be highly successful, as the conference has achieved significant milestones, marking a new chapter in its esteemed history. Dr Ajay Kumar, former Defence Secretary of India, graced the conference in Varanasi, restoring its prominence in the sacred city.

Guiding such a prestigious conference is an immense responsibility, yet with the invaluable wisdom passed down by previous Secretary Generals and the exceptional dedication of our dynamic and diligent Secretariat, I am filled with optimism for the enthralling experience this edition promises to deliver.

I invite you to join us for this monumental edition, where passionate debates, world-changing aspirations, and productive discussions with innovative resolutions await.

See you all at yet another marvellous IITBHU Model United Nations conference!

Yours sincerely,
Chetan Chavan
Secretary-General, IITBHU MUN'23

About IITBHU MUN

Model United Nations conferences are academic simulations of the United Nations where students play the role of delegates (Country representatives) from different countries, which are assigned to them and attempt to solve the pressing real-world issues with the policies and perspectives of their assigned country. The deliberations happen by the procedures and protocols followed by the United Nations. In each conference, multiple sessions are held for each committee and the solutions put forth by the delegates are materialized into structured resolutions to be voted upon by the respective committee.

IIT BHU Model United Nations is a well-known, internationally recognized, and one of India's premier MUN conferences. It has undergone stellar growth over its incredible journey since 2012, attracting about **4000+ delegates** from **22 nationalities** over its 11 incredible editions. Its distinct appeal stems from its roots in India's spiritual capital and the resolve of raising standards with every passing edition.

The 12th edition of the IITBHU Model United Nations conference will be held from **29th September to 1st October 2023**. Hundreds of delegates are expected to participate in the conference worldwide. The Secretariat promises that growth momentum won't slow down and the event will be better than ever before.

IITBHU MUN

11th Edition

The 11th edition of the IITBHU Model United Nations conference was held in collaboration with premier organisations like **UNIC for India and Bhutan**, and **patronage from UNESCO-INCCU** from 3-5 February 2023.

The conference, endorsed by the **Hon'ble Prime Minister of India, Shri Narendra Modi**, the **Indian Ambassador to Uzbekistan, Shri Manish Prabhat**, and the Chief Guest, **Dr Ajay Kumar, Former Defence Secretary of India**, attracted participants from various countries across continents. Notably, it received endorsements from **H.E. Mr KD Dewal, Ambassador of India to Armenia and Georgia**, **Mr Oliver Frank, Deputy Head of Mission, Embassy of Switzerland to India and Bhutan**, and **Mr Amish Tripathi**, best-selling Indian author of the Shiva Trilogy, further enhancing its global significance.

Hundreds of delegates deliberated upon pertinent global issues through the seven simulated committees like UNODOC, ECOSOC, and AIPPM. The agendas ranged from matters of human trafficking to corruption mitigation. The agreements achieved were then made into draft resolutions to be voted upon by the committee. All proceedings were condensed into the conference newsletter for public information purposes.

MESSAGE

It is pleasing to learn about the IITBHU Model United Nations 2023 being held under the aegis of Indian Institute of Technology (BHU), Varanasi. The three-day conference being organized in hybrid mode is a commendable effort to bring the global youth on a common platform.

IITBHU continues to build upon the legacy left behind by Pandit Madan Mohan Malaviya and is strengthening its credentials as an institution of excellence and eminence.

Today, India is leading the global discussion on a wide range of issues including combating climate change, fighting terrorism, empowering the poor and technology. The organisation of such an event augurs well, as it involves youth from different nations to learn about different perspectives on contemporary issues.

As the Mother of Democracy, India has been guided by a democratic spirit that encourages people to progress through discussions and dialogue. During the last few years, India's growth story across socio-economic spheres demonstrates to the world that our democratic systems and processes have delivered results.

Democracy is not just of the people, for the people and by the people, but also within the people. We are making every effort to optimize inclusion, transparency, accountability, responsiveness and decentralization to ensure maximum participation of people. As a result, the development process of the largest democracy of the world is people-driven and participatory.

IITBHU MUN 2023 provides an opportunity to the youth to expose themselves to different perspectives on issues of international importance. As new age leaders of tomorrow, this assembly of youngsters will surely generate fresh and robust ideas on a wide gamut of issues.

Best wishes to organisers, as well as every participant for fruitful discussions and for making the conference a singular success.

(Narendra Modi)
